Carezza Ski – THE ski area for children

In King Laurin's ski area, families will receive a royal welcome.

"Carezza Ski" stands not only for around-the-clock sunshine skiing, it also represents an extremely family-friendly bargain. There are at least ten good reasons to pack up the whole family and come to King Laurin beneath the "Rose Garden." Children up to 8 years of age can ski free of charge (when accompanied by a paying parent) and there are also special family tickets. At the King Laurin snow amusement park and in the "Nani Land" children's fun park, your little ones are sure to experience the time of their lives. And the Carezza Ski School speaks proudly of the "ski instructor guarantee" at the Carezza ski area: The slopes have such an ideal location that a child can learn to ski independently in just a week. And the kids will love the tow lifts. The Carezza ski area is situated on a plateau beneath the "Rose Garden" and the Latemar in the UNESCO World Heritage Nature Site. It's the perfect place to indulge in winter hiking, skiing, or tobogganing – the ski huts offer refreshments and hearty snacks and are very accessible.
